6.1.1 The Governance of the institution is reflective of an effective leadership in tune with the vision & mission of the institution.

Response

Vision

"Excellence in higher education, empowerment through knowledge, inclusive growth for socio-economic change and sustainable development".

Mission

- To impart quality education to the poor, downtrodden masses and to the last man of the society.
- To provide facilities for the acquisition of knowledge and information and

advancement of culture.

- To promote quality teaching and learning through suitable academic environment.
- To undertake quality research in basic, applied and interdisciplinary sciences.
- To empower students through education to make them strong, self-reliant,

responsible and secular human beings, professionals and citizens.

- To help the needy and economically weaker students in education.
- To inculcate discipline, sincerity and devotion among the students to make them most responsible and respectable citizens of India.
- To foster Regional, National and Global competencies among the students.

A. Vision and Mission Statement

- The vision of the institution is to evolve through collective leadership into center of academic excellence which while retaining its regional roots is able to encompass the wider social imperative. It seeks to achieve harmony between academic practices, social empathy, cultural activities & co-curricular responsibilities which benefits students to develop to their fullest potential.

B: Nature of Governance:

The Institution follows a democratic & participatory mode of governance, all stakeholders participating actively in its administration. The college is governed by ShriShivaji Education Society, Amravati. As per the Maharashtra Public University Act 2016, it constitutes College Development Committee (CDC). The CDC approve comprehensive academic, administrative and infrastructural development plan of the college in tune with the Vision and Mission. The principal of college shares authority and power of governance with the different levels of functionaries in the college. The IQAC, heads of departments, committees/ cells coordinators, play an important role in policy decisions & implementing the same.

C. Perspective Plans:-

The institution has perspective plan in place for systematic and phased development.

- Application for grants from various government & non-government sources.
- Extension through vertical expansion of infrastructure.
- Renovations to revive the ageing infrastructure of the institution.
- Improvement in Teaching- Learning through greater use of ICT & other innovative means.
- Introduction of new subjects at the UG/PG level.
- Application of more substantive posts from the state government.
- Application for skill development courses
- Partnering with Research institutes.

- Mobilization of funds & projects through the alumina & other stakeholders

D. Participation of Teachers in Decision Making Bodies

- Teacher discharge an important role in implementing the vision & mission of the college & play a proactive part in the decision making process. Heads of the departments exercises considerable administrative & academic autonomy.
- Teachers influence institutional policies though the staff council, their representation on the CDC, other Administrative, Academic, and various Committees of the College constituted for the smooth functioning of the college.
- Teachers play important role as motivators & spearheads of cultural & socially conscious activities, by steering the NSS, Nature Club, Study forum, Sports and Dr. Panjabrao Deshmukh Jayanti Utsav.

GOVERNANCE

ShriShivaji Education Society, Amravati, was founded in 1932, by Late Dr. Punjabrao alias BhausahedDeshmukh, a leader commons and social reformer, the First Agriculture Minister of Independent India, and a member of the "Constitution Draft Committee" for Govt. of India. It is one of the premier institutions of higher education in the state Maharashtra. It is worth mentioning that, under its canopy, there are in all 277 institutions including 24 colleges from the various disciplines as Medical, Agriculture, Engineering, Science, Law and Education along with Higher Secondary Schools, High Schools, Middle Schools, and Primary Schools. The society has bagged many prestigious awards from the state government in recognition of its dedication in the field of education and involvement in addressing socio-economical issues. The executive council is formed, through the election held every five years, from amongst its life members. The executive council for the duration 2022-27 is as follows.

Criterion-6: Governance, Leadership and Management

6.1.3 The effective leadership is visible in institutional practices such as decentralization & participative management.

.Q. M. Describe a Case Study showing decentralization & participative management in the Institution in practice within a maximum of 500 words.

Decentralization: Governing body of Institute exercises general supervision and control of affairs of the college. It formulates the strategic policy decisions in interest of faculty and students. For proper deployment and execution purpose a core committee named CDC (College Development Committee) is formed in which representatives of heads of departments and teachers and non-teaching staff are members. It acts as a link between Management and college. Meetings of CDC are held regularly to discuss matters related to development of students, faculty and college.

For smooth conduction of academics and administration, the college nominated a senior faculty as faculty in- charge for each faculty in the college who are working as the bridge between faculty members and Principal/ Governing body. Similarly, college constituted different committees to look after different academic, curricular and co-curricular activities.

Case Study - The college has a purchase committee; It looks after the decision of purchases and upgrading of infrastructure in which includes management and teachers representatives. Regular meetings are held in which the committee proposes the budget for purchase of laboratory, office equipment and other allied items. List of all items as decided by HODs are put forward regarding the structural changes and other necessary equipment to purchase committee for approval. At the beginning of academic session, quotations are called from shopkeeper collects the quotations from different dealers and prepares comparative statement. The quotations place in the purchase committee and approve the less quoted items for purchasing. After the approval of the purchase committee, the orders are issued to purchase the items as per requirement. Office verifies the list of items and maintains the stock register. He forwards the bill to account section for payment. The purchase committee is

Criterion-6: Governance, Leadership and Management

authorized to deal the purchasing process of all the items which requires. In this process, decentralization of the management is reflected in this work.

Participative Management: The culture of participative management is achieved through the committees operating at strategic level by Governing Body, College Development Committee, Principal and IQAC, Functional level (Head of faculties and Head of Departments) and operational (Faculty and students) levels of management. Stakeholders at all levels have an opportunity to contribute his/her innovative ideas leading towards achievement of excellence. Departments and the various committees coordinate with IQAC and submit the annual plan to the Principal, which is approved in IQAC and CDC. Through the interaction with the Principal, Head of the Departments and faculties, the academic calendar is implemented effectively throughout the academic year. Students are also nominated as representative to conduct the activities. Such ambiance is created where students come forward with innovative ideas.

- The Head of the Departments oversees the Teaching Plans of the department.
- HOD is empowered to make adjustment in the routine and to allot teaching assignments and evaluation duties.
- HOD often takes the lead in planning different departmental activities and introduces new syllabus Component
- The Head, in consultation with departmental faculties, exercises total flexibility in planning and organizing seminars from the agency sponsored level to that of student's seminars.

The above features reflect a culture of participative management and decentralization of work.
